Dedication

It is with high esteem that we, the Shore-O-Scope Staff of 1955, dedicate this volume to Mr. Carl Biefeld.

It is but a humble effort to show our appreciation for his previous leadership as our High School Principal, and now as Superintendent of Lake Shore Schools.

We express our thanks to him for helping to improve and make ours a better and more outstanding school. He has woven into our high school tapestry a pattern of wisdom and fair play not found in text books alone, but also in the strength of unity, cooperation, and purpose.

The class of '55 would like to take this opportunity to thank Mrs. Edwards who has guided us for the past two years. When she took charge of us in our Junior year we had nothing, but thanks to her constant help and encouragement we have reached our goal.

Words cannot express all our thanks, we only wish there were some other way. She has given us her entire time and attention in all our activities, and has helped make this yearbook possible. Thanks again Mrs. Edwards. Your Senior class of '55.

WINSTON POWELL

In a short time we shall receive our diplomas, one of our classmates will not be with us. A fatal illness removed Winston from our midst, but not from our memories.

In class, on the football field, on the basketball court, through the halls--big good natured, always with that broad smile--Winston endeared himself to all of us. To his memory we dedicate this page in our annual.

Football

Class History

As we review the colorful and varied experiences of our grade and high school days, those changing scenes from timid first grade to dignified twelfth, we cannot but feel both joy and sorrow. These are but a few of the memories that flash into our minds:

First Grade--We were six years old as our tearful mothers sent us off to school. A few of us were also tearful. But we had our reward when we learned to write our names.

Second Grade--"Did you ever see a lassie go this way and that?" Our first taste of flash cards and water colors.

Third Grade--Exposed to higher arithmetic and geography.

Fourth Grade--An abrupt change for some of us. New teachers and system.

Fifth Grade--How proud we were of our patrolman belts and badges.

Sixth Grade--Oh that long year waiting to get in Junior High!

Seventh Grade--This year we were important with our first big party.

Eighth Grade--Manners and conventions run amuck until the end of the year when interest zoomed in the way of dancing and parties.

Ninth Grade--Freshmen at last! Number of new friends from Greater Gratiot, District 7, St. Gertrudes, and Harrison Township. Mr. Gabrysiak was assigned our sponsor for this year. Our big social event was the Freshman Dance in the spring at North Shore.

Tenth Grade--We started this year with Mrs. Eggleston and Miss Green our class sponsors. We became significant by joining clubs to carry on with school activities, G.A.A., F.H.A., and Chorus. Wambach, Watson, Schrank, Evans, Brown, Tapert and Powell were already exhibiting their ability on the football field, and in basketball we cheered for Furest and Token. In December we had our biggest thrill of the year in the Snowball Bounce with the "Sundowners" furnishing the music.

Eleventh Grade--At the head of our family were Bill Furest, President; Harvey Spikes, Vice President; Marlene Yunke, Secretary; and Vivastine Wright, Treasurer. Student Council representatives were Bea Rattray and Rich Ziegler. At the first class meeting Mrs. Edwards was elected class sponsor. We sold Christmas cards and candy. Our musical comedy, "Miss Starlight", was the outstanding event. We had another Don Cornell in Bill Furest and Joni James in Betty Reddo. By this time there were changes that had to be made in our class officers. Harvey Spikes dropped out of school and Richard Watson was elected to replace him as vice president. Our secretary, Marlene Yunke, decided on an M.R.S. degree and Shirley Luckett was chosen to take her place.

After Christmas we saw stars on skates. A successful skating party helped to swell the coffers in our treasury.

Another crowning event was the Junior-Senior Prom at the Civic Center. Music by Jim Hendricks and His Band. Big Night!!

Twelfth Grade--On September 9th, we enrolled as Seniors. We had much the same schedules but classes went more rapidly. With Bill Furest, Ken Token, Shirley Luckett, and Vivastine Wright as class officers we started this, our last year, with a bang. Christmas Cards, magazines, Pep shirts, and candy to be sold almost put us in the retail business. We also tried our hand with concessions at the football and basketball games with dances following the sports events. Two more skates helped us on our way.

The class was well represented in football, basketball, track, baseball, and no less than five of the cheerleaders were seniors.

Our senior year was marred by one sad event, the serious illness and death of our classmate Winston Powell. He had endeared himself to all of us and engraved a place in our hearts always to be remembered.

In the spring a talent show--and then the Senior-Boy Scout Carnival--Come one, come all!! All activities bringing us closer to our Senior Trip.

The Junior Picnic for the Seniors was a high success. Everyone had a big time. June 2 found us all yelling--All Aboard! Washington here we come! Oh what a time! It would take another book to tell you all about it. We agreed it was worth working and waiting for. The Junior-Senior Prom was held June 10 at the Civic Center. Another memorable event.

Yes, Lake Shore High School, we came to you, we have worked for you, we have been you. You have become a part of us that will never leave our hearts, for these memories and others are deeply embedded there. With this thought in mind, we approach Baccalaureate and Commencement. With regret and joy we look forward to new experiences and new situations in the future.

Junior Projects

We started off our Junior year by electing class officers. Plans were made for dances after basketball games, and football games. We were also given a few concessions at the games. Next on the list was bake sales, which were scheduled once a week, and a roller skating party which was a big success.

One of the big events of the year was our junior play, and the most important of all, the Junior-Senior prom in June. The setting for a beautiful evening was at the Civic Center.

Our last event of the year was the Junior-Senior picnic. We treated the Seniors and really had a wonderful time.

We would like to thank our loyal sponsors during our Junior year who gave their time and effort freely to help better our class and financial standing. Thank you, Miss Kelly, Mrs. Eggleston, and Mr. Dougherty.

Class Officers

The class of '57 entered their Sophomore year with great hopes of the future. At their first class meeting they elected officers.

President - - - - - Ed Kravitz
Vice President - - - - - Ed Martin
Secretary - - - - - Shirley Johnson
Treasurer - - - - - Marlene Salatich
Student Council - Ron Gagnon, Doug Graham, Jerry Keller

Plans for their Sophomore year were made, the first of which was selling felt letters. This was a big success and proved very profitable. As basketball season approached, a bright idea followed. They had the basketball schedule printed on pencils and sold them.

With the coming of Christmas, they sponsored a decorative Christmas dance with all the trimmings. "Rudolph Ramble" attracted students from all over, and once more the Sophomores profited. The second and last dance given them was in the spring. The dance floor had a rhythmic spring atmosphere and a good time was had by all who attended.

We would like to thank Mrs. Jiles, Mr. Crellin, and Mr. Smith, for making our Sophomore year a most successful and enjoyable one..

Freshman Projects

During this, our first year in high school we weren't given much of a chance to show our ambition. We were limited to activities, and given a definite schedule and told to follow it. But we made the most of it.

Our first class meeting was brief but we elected the following officers:

President - - - - - Larry Hawkyard
Vice President - - - - - Billy Geatches
Secretary - - - - - Bonnie Robertson
Treasurer - - - - - Judy Cutler

Besides a few bake sales at noon hour, the only other fund raising activity we were given was the last dance of the year. The decorations were beautiful and the music real dreamy. A large crowd turned out, and we really had a swell time.

Our success and wonderful times together, we owe to our sponsors; Miss Green, Mrs. Tallon, and Mr. Smith.

Classes

Students in the Typing classes get an idea of what their future secretarial jobs will offer. They are learning the proper way to type forms, letters and documents.

The Home Economics department offers a wide variety of courses in cooking, sewing, good grooming, home management, and child care.

Future chemists get their basic fundamentals and lab techniques of chemistry, from the chemistry classes offered them in their high school years.

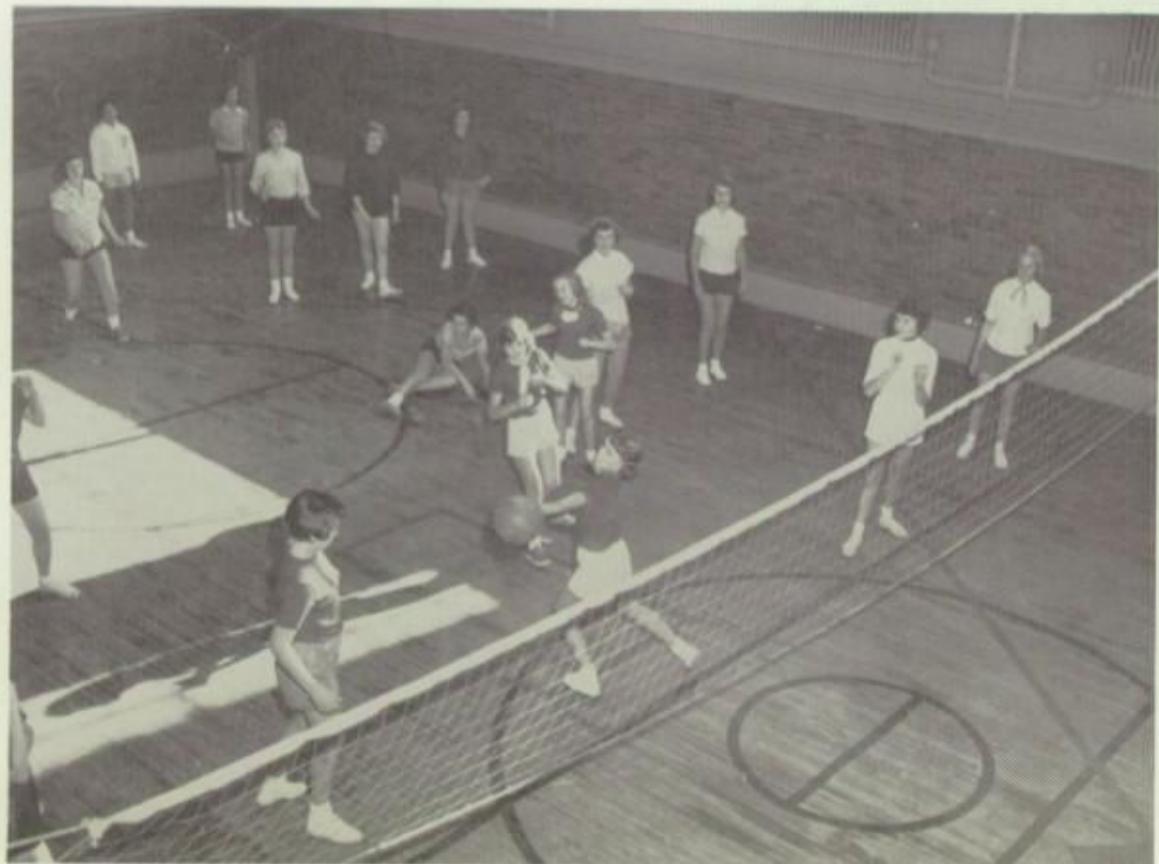

Some of the main projects of the art class this year were oil and water painting, charcoal drawings, still life, abstracts, lettering, poster painting and ceramics.

Boys in shop learn how to build, weld, repair, and make various articles. This class is a favorite with the boys.

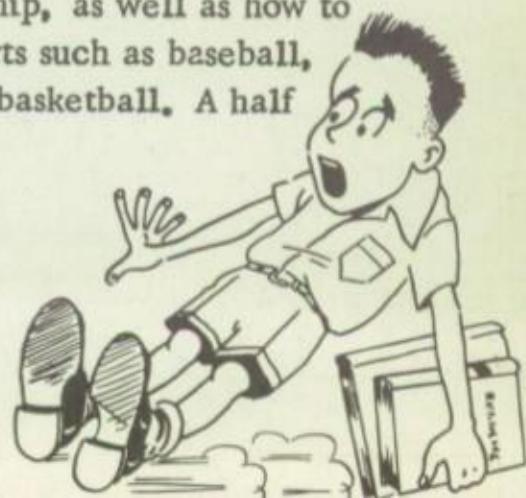

There is a two-year course offered in drafting which prepares the student for future work in the engineering field.

The study hall is a place in which the students get a chance to do their homework and get their studying done so that they won't have as much work to do at home. Books for study and reference are convenient.

All Freshman girls are required to take a year of gym and health. They learn good sportsmanship, as well as how to play various sports such as baseball, volleyball, and basketball. A half credit is given for gym and health, combin-ed.

Highlights of the '54 football season were the Warren and Lakeview games in which both scores were tie 6-6. Both games were very exciting to the fans and the players. The Roseville game, in which we were victorious, was the outstanding one because they later became the Oakland "B" league champs. Bob Hull, junior, showed the most promise for next year.

Co-Captains for this year's football team were Jake Gingrich and Bob Tapert. Bob was also chosen as the most valuable player this season by his team mates.

The team was plagued with sickness and injuries to two of the players. Co-Captain, Bob Tapert suffered a knee injury from the Utica game while team mate, Larry Wambach was handicapped by a broken thumb. There were a couple other injuries which were not quite so serious.

Donald Sharpe, junior, was named to the All-Bi County team at offensive end, and along with Jake Gingrich, junior, will represent the team of '55 as Co-Captains. Honorable mentions were given to Bob Tapert, Larry Wambach, Bob Hull, Terry Hurley, Ken Token, Ken Marzka, and Jake Gingrich.

Lakeshore being one of only 2 class "C" schools in a strong "B" league ended up in second place after an unsteady start. The season was finished on a high note with victories over the three strongest teams in the league, Southlake, Utica, and Warren. The team was young and rather inexperienced with only two seniors on the squad.

The consistently fine play of junior, Don Sharpe, stood out for Lakeshore, and he was named on the first team, All-Bi County. Senior, Bill Furest was named on the second team, and honorable mentions were given to Ken Token, senior, and Ken Marzka, junior. Regulars to the starting line-up were: Don Sharpe; Junior, Ken Token; Senior, Bill Furest; Senior, Ken Marzka; Junior, Mike Thomas; Sophomore, Terry Hurley; Sophomore.

Additional letter winners to the above are George Micallef, Eddy Martin, Bill Loader, and Doug Graham.

Student Elections

Photo by South Macomb News

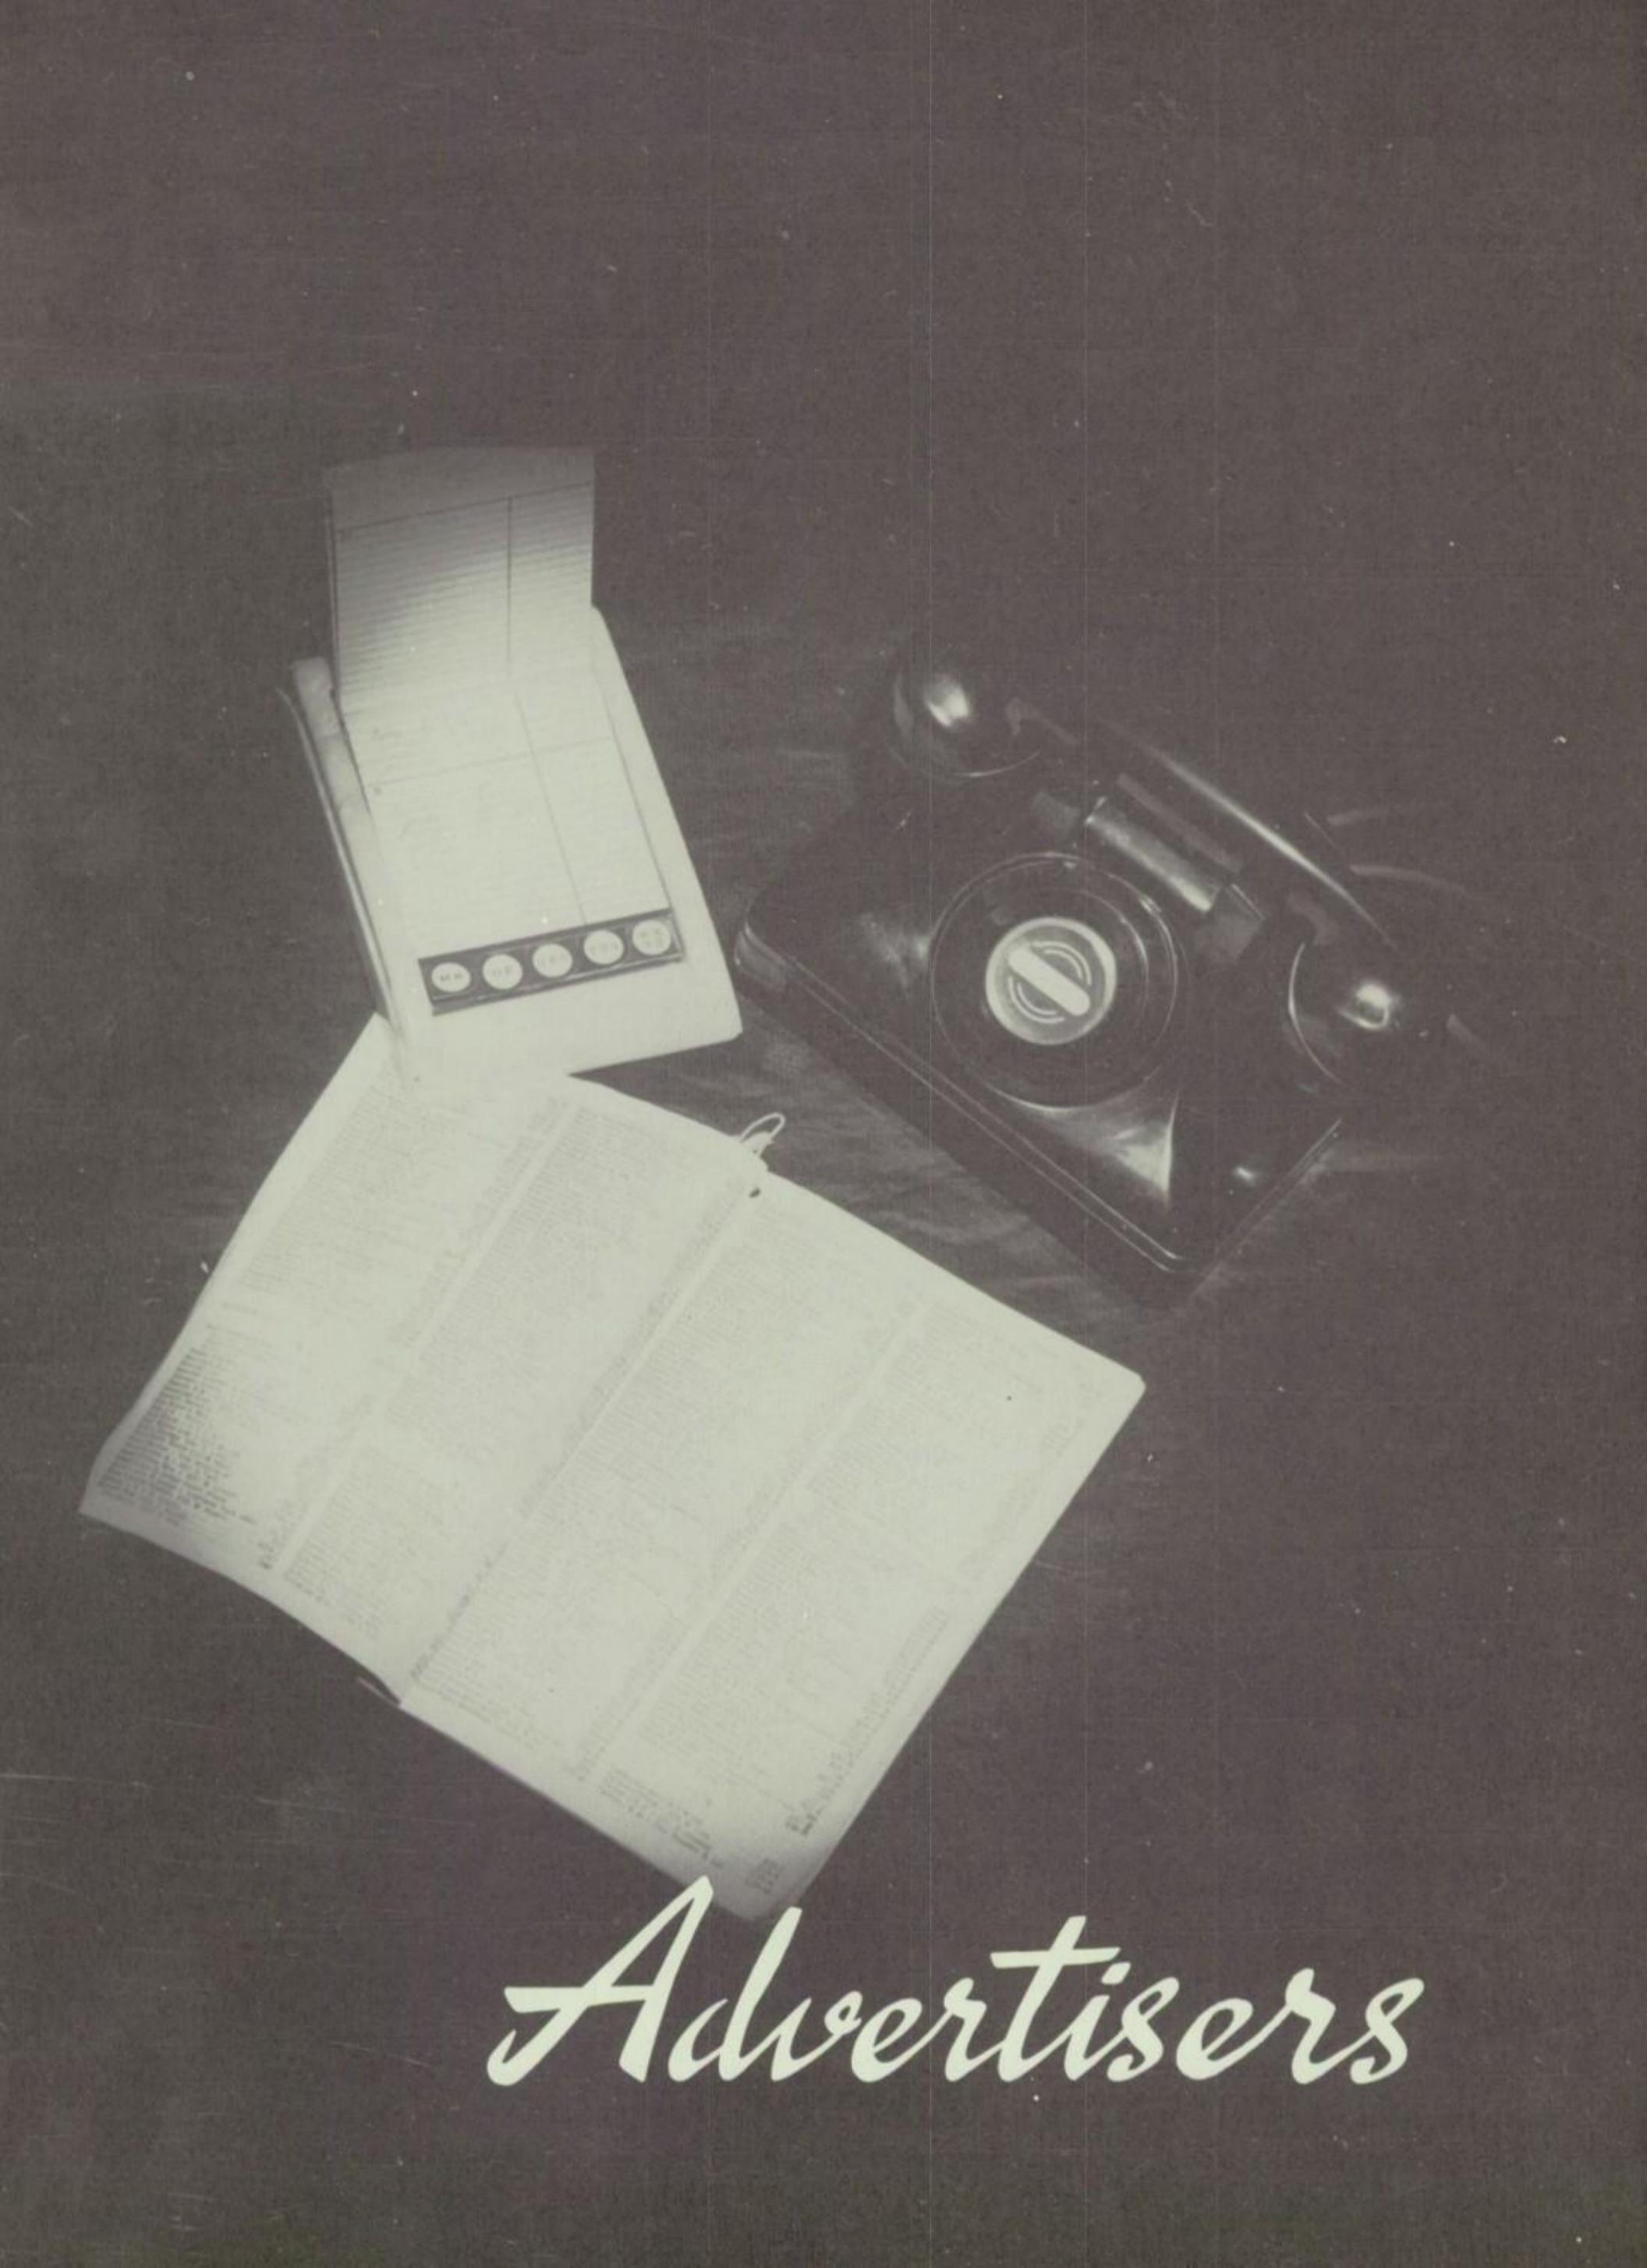

Seated: Ron Gagnon, Ron Hoffman. Standing: Nellie Wright, Anita Michel.

For the past three years the students have taken complete control of the city for one day. Elections are held in the schools for councilman and the winners select students for appointed jobs.

This year Ron Hoffman and Ron Gagnon defeated Anita Michel and Nell Wright in a very closely contested race for councilman.

Appointed to various jobs were: Wilson Born, city attorney; Mario Nanni, DPW superintendent; Beatrice Rattray, dog warden; and Doug Graham, recreation director.

Others are Anita Michel, supervisor; Nellie Wright, library board; Rich Ziegler, recreation commission; Joan Weber and Marlene Salatich, planning commission; and Mike Thomas, board of review.

A black and white photograph of a vintage car and a ledger book. The car, a dark-colored sedan, is positioned in the upper right corner, angled slightly. In the lower left corner, an open ledger book is visible, showing two columns of figures. The background is a dark, textured surface.

Lake Shore opened her 1955 track season with a very creditable performance in the Central Michigan College "C" and "B" Class Invitational Track and Field Meet, April 2. We finished third out of a field of over 30 schools. Medal winners in this meet were L. Wambach, D. Sharpe, E. Martin, M. Thomas, M. Bellar, J. Clayton, and T. Brown. Outstanding for Lake Shore was the tie for first place in the pole vault by L. Wambach.

After this fine beginning, Lake Shore went on to take victories in dual and triangular meets over the following schools: Troy, Lincoln (Van Dyke), Eastland, Fraser, South Lake, and Lakeview. We won the unofficial championship of St. Clair Shores by beating two local city rivals, Lakeview and South Lake on April 29.

L. Wambach and R. Ziegler tied for top honors in the pole vault at the Regional Meet at Ferndale and they qualified for the State Meet at East Lansing. M. Bellar shared high honors with them by winning first place in the half mile race.

The Bi-County Track and Field Meet was held at Lakeview this year. Lake Shore finished with a creditable third against some of the best competition the league has known.

Letter winners for this year were L. Wambach; team captain, R. Ziegler, T. Brown, R. Watson, J. Gruber, K. Marzka, M. Bellar, D. Sharpe, M. Thomas, E. Martin, J. Clayton, and B. Breen.
